About Us

Direct Ergonomics is a supplier of ergonomic and office furniture to government & corporate organisations. We have an extensive range of sit to stand and static workstations, sit to stand desk converting units, a long list of ergonomic task, executive and visitor seating, and creative collaborative seating and metal and laminate storage.

Ultimately this makes Direct Ergonomics a one-stop shop for your office fitout and active workspace creation. We are able to supply under several government contracts including Department of Defence and NSW State Government and through Smart Buy.

Direct Ergonomics has a solid reputation for performance over the 33 years in business, but one thing has been consistent – an unbreakable commitment to supply quality commercial furniture and ergonomic products to State and Federal Government Departments and Organisations.

We are proud to be a Certified Indigenous Business with Supply Nation and in honour of Donna's heritage and we are so pleased to have our StandUP Program which sees \$10 of the purchase price of EVERY standup sold, going to Youth Programs in Rural Australia.

Also we have an Indigenous Cadetship to help underprivileged Indigenous Youth get job ready, it's a paid position and gives the Cadet exposure to every aspect of working in a company and mentoring for their future career growth.

Our Boots and All campaign is gathering momentum and is ensuring a second life for good quality boots that have outgrown their owner, they are shipped to Indigenous Communities where boots of all descriptions are warmly welcomed, See to the left our last Donation we made.

Over a decade ago we made a serious commitment to providing a more sustainable environment for future generations and we were one of the first companies in Australia to have over 80% of our product GECA Certified.

Our furniture meets all the relevant Australian Standards, the majority of our furniture is AFRDI tested and approved.

We have full accreditation for ISO9001 and ISO14001.

Direct Ergonomics is proud to be a Certified Indigenous Business with Supply Nation & Proud Partner of iDiC.

Community Spirit!

\$10 of purchase price goes directly to helping Indigenous youth in rural Australia.

StandUp Electric with Dual Monitor Arm

StandUp Pneumatic height range

StandUp Electric - Device holder & Control button's

The StandUp is our latest and arguably best sit to stand desk solution.

The StandUp has one of the largest height ranges of any standing desk converter on the market, adding 110mm to 505mm to your workspace height (395mm total range).

- When used it will help reduce cardiovascular disease and reduced incidents of neck and back pain
- StandUp Sit-Stand work-station will give you increased productivity, energy levels and overall mental and physical fitness, all within an affordable budget.
- No pinch points for personal safety, and eliminates the possibility of power cords being cut creating an electrical hazard and electric shock.
- Go anywhere, transportable and compact especially if you change work area or reocation
- Small footprint - raises and lowers in a vertical plane
- Infinite incremental height adjustment possible
- Sturdy and stable even when fully extended
- Conforms to AS/NZS60335.1 Electrical Standards
- Exceeds OHS requirements
