

# Active Chair Family

## Product Specification

Introducing the Active chair family, a versatile collection of chairs suitable for various spaces. With a slim and sleek design, budget-friendly options, configurable features, a wide range of shell colors, multiple base choices and upholstery options, these chairs offer style, flexibility and affordability. Partially manufactured in Australia, the Active chair family ensures quality craftsmanship, and with a weight rating of 110-150kg, it accommodates a range of users. Backed by a 10-year warranty, these chairs provide long-lasting durability and peace of mind.
