

Dalph Express Chair

Product Specification

The Dalph express is an elegant, soothing and compact chair with overall dimensions that cleverly hides the generous internal seat size which caters for a very broad range of people and different user sizes.

Dalph express is in 4 base options – 4 timber legs, black powdercoated sled base, black 4 star post base and chrome disc post base. In addition, the main Dalph family has an expanded range which includes a wide variety of chair styles to suit any space, that carry a large variety of certifications,

Dalph express's versatile look is ideal for both informal and formal reception, visitor, waiting and breakout areas. Dalph brings a warm and welcoming atmosphere with superb comfort.

Our exclusively designed chair components are assembled in our local factory here in Australia.

There is nothing like a well made, high quality timeless design chair to enhance the seating experience and wow your clients & staff. These beautifully designed chairs are long-lasting thanks to the high quality durable materials used to build them. Our craftsmen are known for their meticulous and thorough workmanship, producing very reliable, durable and sophisticated products.
