TURTLE CHAIR RANGE
PRODUCT SPECIFICATION

The Turtle Chair is a sustainable seating solution designed for modern commercial environments, combining durability, comfort and environmental responsibility. Manufactured using 100% recycled ocean-bound plastic, it transforms discarded waste into a strong, high-quality product while actively reducing environmental impact. Available in a range of configurations, colours and arm options, it offers versatility for breakout areas, visitor seating and collaborative spaces, and pairs seamlessly with the Turtle Coffee Table to create a cohesive setting. Backed by a 120kg weight rating and a 10-year warranty, this range delivers long-lasting performance and conscious design.
