

BREEZE 150

DIRECT ERGONOMICS

FEATURES

BREEZE 150

135° BACK TILT

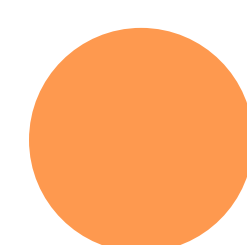

SEAT SLIDE

60MM ADJUSTABLE
BACKREST

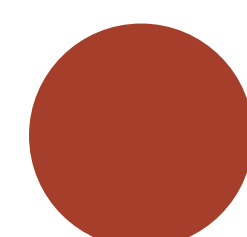

ADJUSTABLE
LUMBAR

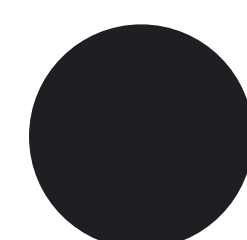

The brief for the new Breeze 150 was to create a fully ergonomic meshback chair with a stylish and flexible look that is unbeatable in quality, longevity, and affordability. The key details are in the functionality: all aspects of the chair are fully adjustable, and the heavy-duty mechanism ensures enduring quality and modern design.

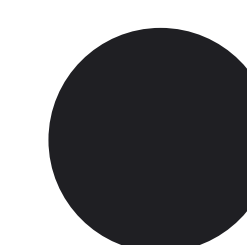

Heavy duty 165kg rated

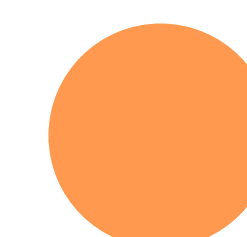

Fully ergonomic, six points of adjustment. 4D height-adjustable arms (optional)

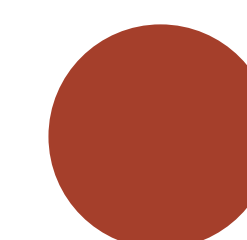

GECA and BIFMA certified. AFRDI certification pending.

65% Australian content and end of life product stewardship

Adheres to NEN-EN 1335 standards ensuring fit for 85-95% of the population

Completely customisable back, mesh, base and seat available
